Inmate Canteen RFP CS-6616
Attachment A Amendment #2
Cost Sheet- DAI Canteen Menu

Input the unit cost of the item in column F. Note that the unit cost should include all costs to deliver the orders to the inmate under the vendor-hosted model.
See the instructions for Section 7 in the RFP and follow them when filling out this cost sheet.
In sections that have numbers listed as "special requirements", the minimum numbers listed is the number of items in that section that must meet the special requirements.
The licensing for the fulfillment center software must meet all of the specifications required in the RFP and include all services required to process orders, refunds, and tax reports
BSI order processing costs will be based on a per order basis. The estimated number of BSI orders to be processed times the per order cost for an annual amount.
